

कर्तव्ये व जबाबदाऱ्या

जाहिरात क्रमांक : १०४/२०२२ - परीक्षा संशोधन अधिकारी, गट – अ, महाराष्ट्र लोकसेवा आयोग

Duties & Responsibilities

- (1) To define objectives of examinations which involve decision on the ability to be tested.
- (2) To prepare examination specifications, i.e. number and type of Question Papers, maximum marks, duration etc.
- (3) To address the examiners to send in question of objective type.
- (4) To carry out pre-validation of the question received from the examiners with help of a review committee of experts, and if feasible, by a sample test.
- (5) Analysis of the questions on the basis of the report of review committee or result of sample test.
- (6) Banking of questions which are found suitable on analysis.
- (7) Use of question bank for setting question papers.
- (8) Review of questions set in the Question paper on the basis of the result of the regular test. This includes a sample survey of the answer sheets to see whether the questions were too difficult or too easy, whether they were reliable for measurement which was to be tested by examinations.
