4. Linearly polarized

Question id : 6848 Question Type : MCQ

In an unbiased p – n junction, zero current implies that –

Options :

1. No carries across the junction
2. The potential barrier has disappeared
3. Number of holes diffusing from n- side to p- side equals the number of electrons diffusing from p- side to n- side
4. Total current crossing the junction from p- side to n- side equals the total current crossing the junction from n- side to p- side

Question id : 6848 Question Type : MCQ

In an unbiased p – n junction, zero current implies that –

Options :

1. No carries across the junction
2. The potential barrier has disappeared
3. Number of holes diffusing from n- side to p- side equals the number of electrons diffusing from p- side to n- side
4. Total current crossing the junction from p- side to n- side equals the total current crossing the junction from n- side to p- side

Question id : 6849 Question Type : MCQ

The Hall constant in a p- type silicon bar is given by $5 \times 10^3 \text{ cm}^3/\text{coloumb}$. The hole concentration in the bar is given by –

Options :

1. $1.25 \times 10^{15} / \text{cm}^3$
2. $1.50 \times 10^{15} / \text{cm}^3$
3. $1.00 \times 10^{15} / \text{cm}^3$
4. $1.60 \times 10^{15} / \text{cm}^3$

Question id : 6849 Question Type : MCQ

The Hall constant in a p- type silicon bar is given by $5 \times 10^3 \text{ cm}^3/\text{coloumb}$. The hole concentration in the bar is given by –

Options :

1. $1.25 \times 10^{15} / \text{cm}^3$
2. $1.50 \times 10^{15} / \text{cm}^3$
3. $1.00 \times 10^{15} / \text{cm}^3$
4. $1.60 \times 10^{15} / \text{cm}^3$

Question id : 6850 Question Type : MCQ

Which one among the following is a co-polymer?

Options :

1. Teflon
2. PVC
3. Nylon 6, 6
4. Polybutadine

Question id : 6850 Question Type : MCQ

Which one among the following is a co-polymer?

Options :

1. Teflon
2. PVC
3. Nylon 6, 6
4. Polybutadine

Question id : 6851 Question Type : MCQ

Bakelite is prepared by the condensation of –

Options :

1. Phenol - acetaldehyde
2. Phenol - formaldehyde
3. Urea - acetaldehyde
4. Urea - formaldehyde

Question id : 6851 Question Type : MCQ

Bakelite is prepared by the condensation of –

Options :

1. Phenol - acetaldehyde
2. Phenol - formaldehyde
3. Urea - acetaldehyde
4. Urea - formaldehyde

Question id : 6852 Question Type : MCQ

Graphite bricks are widely used as material for construction of-

Options :

1. Atomic reactors
2. Coke oven
3. Open hearth furnace
4. Electric furnace

Question id : 6852 Question Type : MCQ

Graphite bricks are widely used as material for construction of-

Options :

1. Atomic reactors
2. Coke oven
3. Open hearth furnace
4. Electric furnace

Question id : 6853 Question Type : MCQ

. A water sample contains 136 mg of calcium sulphate per litre. The hardness of water in terms of calcium carbonate is -

Options :

1. 136 ppm
2. 100 ppm
3. 68 ppm
4. 102 ppm

Question id : 6853 Question Type : MCQ

. A water sample contains 136 mg of calcium sulphate per litre. The hardness of water in terms of calcium carbonate is -

Options :

1. 136 ppm
2. 100 ppm
3. 68 ppm
4. 102 ppm

Question id : 6854 Question Type : MCQ

Which of the following is a flue gas analyzer?

Options :

1. Bomb calorimeter
2. Boy's calorimeter
3. Orsat apparatus
4. Junker's calorimeter

Question id : 6854 Question Type : MCQ (

Which of the following is a flue gas analyzer?

Options :

1. Bomb calorimeter
2. Boy's calorimeter
3. Orsat apparatus
4. Junker's calorimeter

Question id : 6855 Question Type : MCQ

Machines operating under high temperature and loads are lubricated by-

Options :

1. Grease
2. Solid lubricant

3. Mineral oil
4. Synthetic oil

Question id : 6855 Question Type : MCQ

Machines operating under high temperature and loads are lubricated by-

Options :

1. Grease
2. Solid lubricant
3. Mineral oil
4. Synthetic oil

Question id : 6856 Question Type : MCQ

Which one of the following statements is true about Ideal Voltage and Ideal Current sources?

Options :

1. Both have zero internal resistance
2. Both have infinite internal resistance
3. Voltage source has zero internal resistance
4. The internal voltage drop in current source is zero

Question id : 6856 Question Type : MCQ

Which one of the following statements is true about Ideal Voltage and Ideal Current sources?

Options :

1. Both have zero internal resistance
2. Both have infinite internal resistance
3. Voltage source has zero internal resistance
4. The internal voltage drop in current source is zero

Question id : 6857 Question Type : MCQ

In a single phase RLC series circuit, what should be the phase angle between voltage and current for the total power dissipation is zero ?

Options :

1. 90°
2. 45°
3. 36°
4. 0°

Question id : 6857 Question Type : MCQ

In a single phase RLC series circuit, what should be the phase angle between voltage and current for the total power dissipation is zero ?

Options :

1. 90°
2. 45°
3. 36°
4. 0°

Question id : 6858 Question Type : MCQ

In a 3 phase star connected load, which one of the following relationship is true ?

Options :

1. Line voltage = phase voltage
2. Line voltage = $\sqrt{3}$ phase voltage
3. Line current = $\sqrt{3}$ phase current
4. Line current = $1/\sqrt{3}$ phase current

Question id : 6858 Question Type : MCQ

In a 3 phase star connected load, which one of the following relationship is true ?

Options :

1. Line voltage = phase voltage
2. Line voltage = $\sqrt{3}$ phase voltage
3. Line current = $\sqrt{3}$ phase current
4. Line current = $1/\sqrt{3}$ phase current

Question id : 6859 Question Type : MCQ

What will happen if a D.C. supply of 200V is given to the primary winding of a 1 KVA, 200/1000V, 50Hz single phase transformer?

Options :

1. The output at the secondary will be 1000V d.c.
2. The primary winding will be damaged
3. Both primary and secondary will be damaged
4. The primary current will be zero amperes

Question id : 6859 Question Type : MCQ

What will happen if a D.C. supply of 200V is given to the primary winding of a 1 KVA, 200/1000V, 50Hz single phase transformer?

Options :

1. The output at the secondary will be 1000V d.c.
2. The primary winding will be damaged
3. Both primary and secondary will be damaged
4. The primary current will be zero amperes

Question id : 6860 Question Type : MCQ

The efficiency of a transformer will be maximum when the

Options :

1. Turns ratio is unity
2. Hysteresis losses are equal to eddy current losses
3. Copper losses are equal to iron losses
4. Load on the transformer is purely resistive

Question id : 6860 Question Type : MCQ

The efficiency of a transformer will be maximum when the

Options :

1. Turns ratio is unity
2. Hysteresis losses are equal to eddy current losses
3. Copper losses are equal to iron losses
4. Load on the transformer is purely resistive

Question id : 6861 Question Type : MCQ

In a 3 phase slipring induction motor, the frequency of rotor currents is influenced by the

Options :

1. slip
2. torque developed
3. type of starter used
4. rating of the motor

Question id : 6861 Question Type : MCQ

In a 3 phase slipring induction motor, the frequency of rotor currents is influenced by the

Options :

1. slip
2. torque developed
3. type of starter used
4. rating of the motor

Question id : 6862 Question Type : MCQ

Which one of the following motors is a constant speed motor ?

Options :

1. Single phase repulsion motor
2. D.C. series motor

3. Three phase slip ring motor
4. Synchronous motor

Question id : 6862 Question Type : MCQ

Which one of the following motors is a constant speed motor ?

Options :

1. Single phase repulsion motor
2. D.C. series motor
3. Three phase slip ring motor
4. Synchronous motor

Question id : 6863 Question Type : MCQ

The efficiency of a heat engine operating between 100°C and 55°C is

Options :

1. 82%
2. 12%
3. 55%
4. 45%

Question id : 6863 Question Type : MCQ

The efficiency of a heat engine operating between 100°C and 55°C is

Options :

1. 82%
2. 12%
3. 55%
4. 45%

Question id : 6864 Question Type : MCQ

Second law of thermodynamics states that

Options :

1. For any action there is an equal and opposite reaction
2. Energy can neither be created nor destroyed
3. Entropy of the universe always increases
4. Entropy of the universe remains always the same

Question id : 6864 Question Type : MCQ

Second law of thermodynamics states that

Options :

1. For any action there is an equal and opposite reaction
2. Energy can neither be created nor destroyed
3. Entropy of the universe always increases
4. Entropy of the universe remains always the same

Question id : 6865 Question Type : MCQ

Which of the following is a fire tube boiler?

Options :

1. Cochran boiler
2. Yarrow boiler
3. Benson boiler
4. Babcock and Wilcox boiler

Question id : 6865 Question Type : MCQ

Which of the following is a fire tube boiler?

Options :

1. Cochran boiler
2. Yarrow boiler
3. Benson boiler
4. Babcock and Wilcox boiler

Question id : 6866 Question Type : MCQ

In an internal combustion engine, the process of removing the burnt gases from the combustion chamber of the engine cylinder is known as

Options :

1. Detonation
2. Scavenging
3. Supercharging
4. Turbo charging

Question id : 6866 Question Type : MCQ

In an internal combustion engine, the process of removing the burnt gases from the combustion chamber of the engine cylinder is known as

Options :

1. Detonation
2. Scavenging

3. Supercharging

4. Turbo charging

Subject Industrial Development and Acts		
Section type : Online	Number of Questions to be attempted:38	Mandatory or Optional: Mandatory

Sub-Section : 1	Question Shuffling Allowed : Yes
-----------------	----------------------------------

Question id : 6867 Question Type : MCQ

Under Industries(D&R) Act,1951,the Central Govt.may by notified order establish Development Council for

Options :

1. Restricted Industries
2. Large scale Industries
3. Sick Industries
4. Any Scheduled Industries or group of Scheduled Industries

Question id : 6867 Question Type : MCQ

Under Industries(D&R) Act,1951,the Central Govt.may by notified order establish Development Council for

Options :

1. Restricted Industries
2. Large scale Industries
3. Sick Industries
4. Any Scheduled Industries or group of Scheduled Industries

Question id : 6868 Question Type : MCQ

The State Govt. Shall establish micro & small Enterprises Facilitation council for sorting out

Options :

1. disputes of Large Industries
2. disputes of delayed payments of micro & small Industries
3. disputes between Industries and Banks
4. disputes between buyers and small Industries

Question id : 6868 Question Type : MCQ

The State Govt. Shall establish micro & small Enterprises Facilitation council for sorting out

Options :

1. disputes of Large Industries

2. disputes of delayed payments of micro & small Industries
3. disputes between Industries and Banks
4. disputes between buyers and small Industries

Question id : 6869 Question Type : MCQ

As per MSMED Act,2006,where the investment in Plant & Machinery is more than Five crore rupees but does not exceed Ten crore rupees is classified as

Options :

1. Large Enterprise
2. Micro Enterprise
3. Small Enterprise
4. Medium Enterprise

Question id : 6869 Question Type : MCQ

As per MSMED Act,2006,where the investment in Plant & Machinery is more than Five crore rupees but does not exceed Ten crore rupees is classified as

Options :

1. Large Enterprise
2. Micro Enterprise
3. Small Enterprise
4. Medium Enterprise

Question id : 6870 Question Type : MCQ

Under Sick Industries Companies Act,1985 the Board shall consist of chairman and

Options :

1. not less than four and not more than Ten other members
2. not less than two and not more than Fourteen other members
3. not less than one and not more than Twelve other members
4. not less than two and not more than Ten other members

Question id : 6870 Question Type : MCQ

Under Sick Industries Companies Act,1985 the Board shall consist of chairman and

Options :

1. not less than four and not more than Ten other members
2. not less than two and not more than Fourteen other members
3. not less than one and not more than Twelve other members
4. not less than two and not more than Ten other members

Question id : 6871 Question Type : MCQ

In Industries(D&R) Act,1951, "Advisory Council" means the central Advisory council established under Section

Options :

1. 5
2. 7
3. 3
4. 4

Question id : 6871 Question Type : MCQ

In Industries(D&R) Act,1951, "Advisory Council" means the central Advisory council established under Section

Options :

1. 5
2. 7
3. 3
4. 4

Question id : 6872 Question Type : MCQ

Which section of In Industries(D&R) Act,1951 provides for obtaining licence for producing or manufacturing new articles

Options :

1. 10-A
2. 12
3. 11-A
4. 15 A

Question id : 6872 Question Type : MCQ

Which section of In Industries(D&R) Act,1951 provides for obtaining licence for producing or manufacturing new articles

Options :

1. 10-A
2. 12
3. 11-A
4. 15 A

Question id : 6873 Question Type : MCQ

The buyer shall be liable to pay amount with interest on to the micro & small enterprises as per MSMED Act,2006 Section no.

Options :

1. 15
2. 17
3. 14

4. 18

Question id : 6873 Question Type : MCQ

The buyer shall be liable to pay amount with interest on to the micro & small enterprises as per MSMED Act,2006 Section no.

Options :

1. 15

2. 17

3. 14

4. 18

Question id : 6874 Question Type : MCQ

The Enterprise providing services known as small Enterprises where the investment in Equipment does not exceed

Options :

1. Ten Lacs rupees

2. Two Crore rupees

3. Twenty Five Lacs rupees

4. Five Crore rupees

Question id : 6874 Question Type : MCQ

The Enterprise providing services known as small Enterprises where the investment in Equipment does not exceed

Options :

1. Ten Lacs rupees

2. Two Crore rupees

3. Twenty Five Lacs rupees

4. Five Crore rupees

Question id : 6875 Question Type : MCQ

The Govt. has set up the following target under Industrial Policy 2013

Options :

1. To create 100 new MIDC Industrial areas in the state

2. To create more Training Institute for skilled manpower

3. To create new jobs for 2 million persons & attract investment of Rs. 5 Lakh crore

4. To achieve service sector growth rate of 8-10 percent per annum

Question id : 6875 Question Type : MCQ

The Govt. has set up the following target under Industrial Policy 2013

Options :

1. To create 100 new MIDC Industrial areas in the state
2. To create more Training Institute for skilled manpower
3. To create new jobs for 2 million persons & attract investment of Rs. 5 Lakh crore
4. To achieve service sector growth rate of 8-10 percent per annum

Question id : 6876 Question Type : MCQ

Under Package scheme of Incentive 2013, who is the implementing Agency for medium manufacturing Enterprises other than Mumbai & Mumbai Sub-urban Districts?

Options :

1. Directorate of Industries, Mumbai
2. District Industries Center
3. The Regional joint Directors & S.I.O Nanded sub region
4. Joint Director of Industries (MMR)

Question id : 6876 Question Type : MCQ

Under Package scheme of Incentive 2013, who is the implementing Agency for medium manufacturing Enterprises other than Mumbai & Mumbai Sub-urban Districts?

Options :

1. Directorate of Industries, Mumbai
2. District Industries Center
3. The Regional joint Directors & S.I.O Nanded sub region
4. Joint Director of Industries (MMR)

Question id : 6877 Question Type : MCQ

As per PS1-2013, Industries will be classified as Mega Project in 'C' area if they comply with minimum fixed capital investment and Employment

Options :

1. Rs. 250 Cr and 500 nos.
2. Rs. 750 Cr and 1500 nos.
3. Rs. 500 Cr and 1000 nos.
4. Rs. 100 Cr and 250 nos.

Question id : 6877 Question Type : MCQ

As per PS1-2013, Industries will be classified as Mega Project in 'C' area if they comply with minimum fixed capital investment and Employment

Options :

1. Rs. 250 Cr and 500 nos.
2. Rs. 750 Cr and 1500 nos.
3. Rs. 500 Cr and 1000 nos.

- Rs. 100 Cr and 250 nos.

Question id : 6878 Question Type : MCQ

As per Industrial Location policy in MMR, the area is divided into Two zones & zone-I consists of

Options :

- Greater Mumbai
- Greater Mumbai & areas of Thane Municipal corporation & Mira Bhayandar M.C.
- Only Thane Municipal corporation
- Kalyan & Navi Mumbai Municipal corporation

Question id : 6878 Question Type : MCQ

As per Industrial Location policy in MMR, the area is divided into Two zones & zone-I consists of

Options :

- Greater Mumbai
- Greater Mumbai & areas of Thane Municipal corporation & Mira Bhayandar M.C.
- Only Thane Municipal corporation
- Kalyan & Navi Mumbai Municipal corporation

Question id : 6879 Question Type : MCQ

Under “ Micro small Enterprise-cluster development programme” for setting up common facility centre if the percentage of
i) Micro & Rural enterpriser ii) women enterpriser iii) SC/ST enterpriser
is more than 50 percent. Govt. of India’s grant amount will be

Options :

- 50 percent
- 70 percent
- 90 percent
- 60 percent

Question id : 6879 Question Type : MCQ

Under “ Micro small Enterprise-cluster development programme” for setting up common facility centre if the percentage of
i) Micro & Rural enterpriser ii) women enterpriser iii) SC/ST enterpriser
is more than 50 percent. Govt. of India’s grant amount will be

Options :

- 50 percent
- 70 percent
- 90 percent
- 60 percent

Question id : 6880 Question Type : MCQ

As per Industrial policy,2013, in new MIDC areas reservation of land area for Micro & small Industries will be

Options :

1. 15 percent
2. 10 percent
3. 20 percent
4. 25 percent

Question id : 6880 Question Type : MCQ

As per Industrial policy,2013, in new MIDC areas reservation of land area for Micro & small Industries will be

Options :

1. 15 percent
2. 10 percent
3. 20 percent
4. 25 percent

Question id : 6881 Question Type : MCQ

As per Maharashtra I.T. Policy 2009,Public & Pvt. IT Parks are permitted additional FSI and it will be

Options :

1. 50 percent
2. 100 percent
3. 25 percent
4. 75 percent

Question id : 6881 Question Type : MCQ

As per Maharashtra I.T. Policy 2009,Public & Pvt. IT Parks are permitted additional FSI and it will be

Options :

1. 50 percent
2. 100 percent
3. 25 percent
4. 75 percent

Question id : 6882 Question Type : MCQ

As per Maharashtra Bio-Tech Policy 2001, the Agro Bio-tech Industries are allowed to get power supply at following tariff

Options :

1. Industrial
2. Agricultural
3. Commercial
4. Residential

Question id : 6882 Question Type : MCQ

As per Maharashtra Bio-Tech Policy 2001, the Agro Bio-tech Industries are allowed to get power supply at following tariff

Options :

1. Industrial
2. Agricultural
3. Commercial
4. Residential

Question id : 6883 Question Type : MCQ

As per MSMED Act,2006, the micro,small or medium enterprise shall file memorandum with

Options :

1. Directorate of Industries
2. District Industries center
3. Development commissioner(MSME)
4. Secretary (MSME)

Question id : 6883 Question Type : MCQ

As per MSMED Act,2006, the micro,small or medium enterprise shall file memorandum with

Options :

1. Directorate of Industries
2. District Industries center
3. Development commissioner(MSME)
4. Secretary (MSME)

Question id : 6884 Question Type : MCQ

As per MSMED Act,2006 the existing Industrial unit should fill up only

Options :

1. Part IV of the memorandum
2. Part II of the memorandum
3. Part I of the memorandum
4. Part III of the memorandum

Question id : 6884 Question Type : MCQ

As per MSMED Act,2006 the existing Industrial unit should fill up only

Options :

1. Part IV of the memorandum
2. Part II of the memorandum
3. Part I of the memorandum
4. Part III of the memorandum

Question id : 6885 Question Type : MCQ

In which section of Mumbai Tenancy & Agricultural Lands Act,1948 transfer of lands to non-agriculturalist for bonafide Industrial use is provided?

Options :

1. 64-A
2. 63-1A
3. 63.A
4. 62

Question id : 6885 Question Type : MCQ

In which section of Mumbai Tenancy & Agricultural Lands Act,1948 transfer of lands to non-agriculturalist for bonafide Industrial use is provided?

Options :

1. 64-A
2. 63-1A
3. 63.A
4. 62

Question id : 6886 Question Type : MCQ

As per Mumbai Tenancy & Agricultural Lands Act,1948 whose prior permission is required if the land proposed to be purchased for bonafide Industrial use exceed 30 hectors

Options :

1. Collector
2. Divisional Commissioner
3. Development Commissioner(Industries)
4. Tahasildar

Question id : 6886 Question Type : MCQ

As per Mumbai Tenancy & Agricultural Lands Act,1948 whose prior permission is required if the land proposed to be purchased for bonafide Industrial use exceed 30 hectors

Options :

1. Collector

2. Divisional Commissioner
3. Development Commissioner(Industries)
4. Tahasildar

Question id : 6887 Question Type : MCQ

Head of the Directorate of Industries is called as

Options :

1. Industries Commissioner
2. Director of Industries
3. Development Commissioner(Industries)
4. Secretary(Industries)

Question id : 6887 Question Type : MCQ

Head of the Directorate of Industries is called as

Options :

1. Industries Commissioner
2. Director of Industries
3. Development Commissioner(Industries)
4. Secretary(Industries)

Question id : 6888 Question Type : MCQ

Maharashtra Industrial Development corporation provides

Options :

1. Industrial Infrastructure
2. Housing
3. Electrical supply
4. Developed roads

Question id : 6888 Question Type : MCQ

Maharashtra Industrial Development corporation provides

Options :

1. Industrial Infrastructure
2. Housing
3. Electrical supply
4. Developed roads

Question id : 6889 Question Type : MCQ

Maharashtra small scale Industries development corporation assists micro & small entrepreneurs for

Options :

1. Setting up Industries
2. Issue of registration
3. Marketing through Rate contract
4. Development of design

Question id : 6889 Question Type : MCQ

Maharashtra small scale Industries development corporation assists micro & small entrepreneurs for

Options :

1. Setting up Industries
2. Issue of registration
3. Marketing through Rate contract
4. Development of design

Question id : 6890 Question Type : MCQ

Maharashtra Agro Industrial Development corporation is set up

Options :

1. To assist Farmers
2. To make Agricultural policy
3. To assist Agro Industries
4. To manufacture Agro Products

Question id : 6890 Question Type : MCQ

Maharashtra Agro Industrial Development corporation is set up

Options :

1. To assist Farmers
2. To make Agricultural policy
3. To assist Agro Industries
4. To manufacture Agro Products

Question id : 6891 Question Type : MCQ

Which self employment scheme is being implemented by Khadi & Village Industries Board?

Options :

1. KVIB Loan Scheme
2. Prime minister Employment generation scheme
3. DIC Loan scheme
4. Educated unemployment scheme

Question id : 6891 Question Type : MCQ

Which self employment scheme is being implemented by Khadi & Village Industries Board?

Options :

1. KVIB Loan Scheme
2. Prime minister Employment generation scheme
3. DIC Loan scheme
4. Educated unemployment scheme

Question id : 6892 Question Type : MCQ

Function of National small Industries Corporation is to

Options :

1. Issue licence to small industries
2. Register small Industries for marketing assistance
3. Set up Industries
4. Assist Sick Industries

Question id : 6892 Question Type : MCQ

Function of National small Industries Corporation is to

Options :

1. Issue licence to small industries
2. Register small Industries for marketing assistance
3. Set up Industries
4. Assist Sick Industries

Question id : 6893 Question Type : MCQ

The role of Development Commissioner(MSME) New Delhi to

Options :

1. Issue acknowledgement to EM to MSME
2. Assist Govt. of India in making policy of MSME
3. Assist in Marketing to MSME
4. Assist Sick MSME

Question id : 6893 Question Type : MCQ

The role of Development Commissioner(MSME) New Delhi to

Options :

1. Issue acknowledgement to EM to MSME
2. Assist Govt. of India in making policy of MSME

3. Assist in Marketing to MSME

4. Assist Sick MSME

Question id : 6894 Question Type : MCQ

Secretariat of Industrial Assistance, Department of Industrial Promotion & Policy ,Govt. of India

Options :

1. Issues IEM acknowledgement to large Industries

2. Issues EM acknowledgement

3. Issues licence to MSME

4. Assists in Marketing to Industries

Question id : 6894 Question Type : MCQ

Secretariat of Industrial Assistance, Department of Industrial Promotion & Policy ,Govt. of India

Options :

1. Issues IEM acknowledgement to large Industries

2. Issues EM acknowledgement

3. Issues licence to MSME

4. Assists in Marketing to Industries

Question id : 6895 Question Type : MCQ

Bureau of Industrial & Financial Reconstruction

Options :

1. Assists Large scale Sick industries

2. Finances Sick Industries

3. Finances MSME

4. Register Sick Industries

Question id : 6895 Question Type : MCQ

Bureau of Industrial & Financial Reconstruction

Options :

1. Assists Large scale Sick industries

2. Finances Sick Industries

3. Finances MSME

4. Register Sick Industries

Question id : 6896 Question Type : MCQ

What is the role of Export promotion Councils?

Options :

1. Export products of Industrial units
2. Issue registration of Export to Industries
3. Manufacture & Export Products
4. Prepare Export Policy

Question id : 6896 Question Type : MCQ

What is the role of Export promotion Councils?

Options :

1. Export products of Industrial units
2. Issue registration of Export to Industries
3. Manufacture & Export Products
4. Prepare Export Policy

Question id : 6897 Question Type : MCQ

The role of small Industries development Bank of India is to

Options :

1. Finance small Industries directly
2. Assist Sick Industries
3. Refinance to bank for small Industries
4. Finance working capital

Question id : 6897 Question Type : MCQ

The role of small Industries development Bank of India is to

Options :

1. Finance small Industries directly
2. Assist Sick Industries
3. Refinance to bank for small Industries
4. Finance working capital

Question id : 6898 Question Type : MCQ

MSME Development Institutes work under

Options :

1. Development commissioner(Industries)
2. Development commissioner(MSME),New Delhi
3. Secretary(Industries), Govt. of Maharashtra
4. Ministry of Industries, Govt. of India

Question id : 6898 Question Type : MCQ

MSME Development Institutes work under

Options :

1. Development commissioner(Industries)
2. Development commissioner(MSME),New Delhi
3. Secretary(Industries), Govt. of Maharashtra
4. Ministry of Industries, Govt. of India

Question id : 6899 Question Type : MCQ

What is a coastal regulation zone?

- A. Land between Low tide line and High tide line
- B. Land upto 500 meters on the landward side from the High tide line
- C. Land upto 500 meters on the landward side from the Low tide line
- D. Land upto 500 meters on the Seaward side from the High tide line

Options :

1. only A
2. A and B
3. A and C
4. A and D

Question id : 6899 Question Type : MCQ

What is a coastal regulation zone?

- A. Land between Low tide line and High tide line
- B. Land upto 500 meters on the landward side from the High tide line
